4 Lite Pivot

Trojan Engineered Doors are synonymous with both quality and durability. Produced with a hardwood block board core, together with a stain grade Meranti or American White Oak veneer, our doors are both attractive and stable for the harsh Australian climate. With a history of performance for over two decades, you can be confident with a Trojan Door.

We are proud to present a sample of our core best-sellers. All our doors are offered as unglazed or glazed in various options, including clear, translucent and textured glass.

"We can offer doors in any design and any size"

PIVOT DOORS

Nothing quite makes a first impression like a Pivot front entry door. Pivot doors make an immediate statement whilst conveying elegance and style. Also available in Meranti and American White Oak.
